**Teacher Appreciation Week!**

- Thank you to all the parents who are volunteering their time or donating items to our SchoolWide Teacher Appreciation Luncheon on Monday.
- Since Teacher Appreciation is all week, we encourage you to have your child do something simple for their teacher. They could:
  - Write a Thank you note to their teacher.
  - Bring their teacher a flower or their favorite treat.
  - Bring their teacher a few school supplies...most of them are depleted by this time of the year.
  - A simple \$5 gift card (coffee, Chick-Fil-A, Sonic, etc) is always appreciated!

**Community Coffee**

**Don't forget to bring in your Community Coffee labels, Box Tops for Education, and Campbell Soup labels by Friday, May 6.**

# EARLY CHILDHOOD

Cathy Wilson, Division Head

Dear Early Childhood Parents,

Friday was a very special day in Early Childhood as our T-K class honored their grandparents. Ms. Chelette and her class worked long and hard on this event and it truly showed. I am very proud of our T-K class.

This Friday our Kindergarten will honor their moms and dads. They too have been working very hard to get it just right. This event is something you will not want to miss. I hope to see you there.

Last but not least our Pre-K is getting ready for their graduation on May 13th. We definitely have the cutest Pre-K in town. I am truly amazed at how much they have learned. They really keep us on our toes.

I walked into a Pre-K classroom this week and I had a beautiful young lady ask "Ms. Cathy, who made God?" It took me a minute but I came up with a pretty good answer ("God is always and forever!") and she replied "that is what I thought." There is never a dull moment in Early Childhood!

Make sure you don't delay in registering for the Eagle Experience, otherwise known as the Best Camp in Baton Rouge! You can register online at [www.eagleexperience.camp](http://www.eagleexperience.camp) We have camps for students entering PreK through 8<sup>th</sup> grade, as well as tons of sports and other enrichment camps. We can keep your children busy all summer long!

Holiday Camp will be offered on the last two Half Days of the year. Stay tuned for a registration form to come home. The only day we will not offer Holiday Camp is Friday, May 20<sup>th</sup>.

Please remember to keep us in your prayers as you are always in ours.

In Christ,

Cathy Wilson

# ELEMENTARY

Jeff Lilley, Division Head

Dear Elementary Parents,

As we near the end of this school year, we seem to be busier than ever! Our fourth graders delivered amazing performances for their families and friends this past Wednesday morning and evening. I hope you had a chance to see it. Order forms are still being taken for DVD's of this year's performance. Please be sure to turn your order form in by Friday, May 6 so that we can deliver it to you before the end of the school year. Thank you Ms. Carruth for showcasing the talent in fourth grade. We appreciate Ms. Carruth and her dedication to our students.

Mrs. Price would like for all coupons (Community Coffee labels, Box Tops for Education, and Campbell Soup labels) turned in by Friday, May 6. She would like for all can tabs to be turned in on this day as well. Mrs. Price does an amazing job organizing and counting all of these items and then sending them in for money for our school. Many thanks to all who continue to collect and turn in these items.

Next week, our fourth graders will travel to Denham Springs for their annual track and field day. Coach BJ and Coach Cole have been preparing our students for this event and have many fun activities planned for the day. Please pray that this group will have great weather and will enjoy their time together. Challenge day has been set for Monday, May 9, here at PBS. Elementary students will participate in fun, athletic games/activities during their PE time. The students really look forward to both of these days and we are so thankful for Coach BJ and Coach Cole for planning them.

Our last chapel day will be May 12. In this chapel, we will be handing out some special awards. These awards will be for students that have gone above and beyond in certain areas. If your child will be receiving one of these awards, you will receive an email letting you know so that you can be here for the presentation. Our teachers will also be giving some awards (perfect attendance, honor roll, etc.) in class during the last week of school.

Nurse Brandi would like for parents to begin picking up any medication they have sent to school for their child this school year. Any medications left in her office after the last day of school will be properly disposed of. We are unable to send home medication with students.

We will have early dismissal on Wednesday, May 18 and Thursday, May 19 at 11:45 a.m. Holiday camp will be offered for those needing child care. Registration forms will be sent home next week. Our last day of school for this school year will be Thursday, May 19.

# MIDDLE SCHOOL

Joana Dieterich, Division Head

Dear Middle School Parents,

Each year, PTF awards four students the Brother Bob Scholarship, \$1,000 toward next year's PBS tuition. This scholarship is in honor of the founder of PBS, Brother Bob Anderson.

Teachers were asked to nominate students based on their spiritual, intellectual, social and physical growth during the current school year. Congratulations to the Middle School nominees:

*John Buzbee, Abby Colvin, Jonathan Eichholz, Meagan Gill, Ryan Harland, Michael Holmes, Maggie Liner, Sabina Mehaffey, Clay Petty, Hannah Populus, Victoria Rogers, McKinley Sherman, Julia Strain, Nora Thompson, Riley Weber, and Riley Williams. Jonathan Eichholz was named the 2016 Brother Bob Scholarship winner. Congratulations Jonathan.*

On Tuesday, April 26th, Mrs. LeBlanc's Algebra I students participated in a class weddings. In learning how to simplify rational algebraic expressions, students frequently make the same error. To prevent this miscalculation from occurring, Mrs. LeBlanc marries a variable to a constant where two individual monomials become one binomial. But why just talk about it when you can act it out and enjoy food at the reception? There was great fun, great food, and even a great math lesson!

Middle School Academic Awards program will be held on Monday, May 9 at 6:00 pm in the sanctuary. Parents of children who will be recognized during the program will receive an email informing them the week prior to the ceremony.

# HIGH SCHOOL

Ben D. Haindel, Division Head

Dear High School Parents,

It has been a fast-paced and exciting time at PBS the last few weeks, and the momentum does not seem to be slowing down. Our Seniors finished up their last full week of school as they will finish their career at PBS with their final exams this week. Our Class of 2016 led a memorable and meaningful chapel service this past Tuesday as a few members of the class challenged the underclassmen to make the most of every opportunity during their high school days. This class has left an impressive legacy of leadership and school spirit, and we are excited to see what the Lord has planned for each one of them in the days to come.

We were able to honor 130 students (25% of the high school!) at Academic Awards Night last week on Monday night. This is one of my favorite nights of the year and is a testament to the students' hard work and commitment to academic excellence.

The National Day of Prayer is coming up this Thursday. Across the nation, students will gather to pray for our country and our leaders. For this purpose, we will move our chapel service to Thursday. Dr. Mayes will be our featured speaker, and we invite you to join us at this special time of prayer and praise at 10:30 on Thursday morning.

Our athletic team seasons are coming to a close this week. Our baseball team suffered an unfortunate and unexpected loss in the first round of the playoffs in a hard fought game. Our Lady Eagle softball team is poised for a championship run at the LHSAA State Softball Tournament right now as I am typing this letter. Our track team will compete in the LHSAA State Track & Field meet next weekend. Our golf and tennis teams have made impressive showings in their season finales as well. We appreciate your support for each of these teams. We are blessed to have tremendous coaches who continually mentor and pour into the lives of our young athletes.

Please encourage your child to keep up the hard work in all academic classes over these last few weeks. Every assignment, quiz, and test counts. AP exams and Final exams are fast approaching, and we want to make sure each student in the best position to perform well and have success. If we can be of any assistance, please contact us.

For His Glory,

Ben D. Haindel  
High School Division Head
