

Community Service Requirements

Students may begin their community service hours THIS SUMMER beginning on June 1st. Forms must be picked up BEFORE the work is completed.

Please consider the following requirements:

1. The community service hour requirement for 2016-2017 school year will begin June 1, 2016 and must be completed by May 1, 2017.
2. Community service forms may be picked up in the high school office from June 1st through August 5th. You may turn in the signed service hour forms in the Community Service Dropbox in the high school office when hours are completed. Summer office hours for the high school are Monday through Thursday between 8:00 a.m. and 3:00 p.m.
3. Community hours must be served at approved serving organizations listed online on the PBS website. If other opportunities not on the list are available for you, they must be approved by emailing Mrs. DeShazo (patsy.deshazo@parkviewbaptist.com). Hours not approved will not count toward your community service requirement for graduation.
4. It is most important to set up an appointment prior to the service. Make sure an on-site supervisor signs off on your hours with a contact number and email.

We strongly encourage you to dedicate some time this summer serving your community and logging a considerable amount to your hours in order to make your academic year less stressful.
