

Dear Parents,

It is with bittersweet emotions that I share with you that I have resigned from my position as school counselor at Parkview Baptist School. I have accepted a position working for a different company. While I am excited for this new opportunity, I am saddened to say goodbye to my Parkview family.

Throughout the last 8 and half years I have met numerous students, families, and colleagues who have forever changed and enriched my life. I want to personally thank you for the encouragement, trust, and support you have extended me throughout the years as I worked closely with your families and children. I will always be grateful for the many relationships built and for the privilege of serving in this capacity.

I pray many blessings of health and happiness for you and your families in the future. Thank you for this incredible honor and privilege. Parkview will always be imprinted on my heart.

Sincerely,

Angel Barnes
