

2020 Cross Country Sponsorship Program

Dear Eagle Supporters:

My name is Chad Landry, and I am the head cross country coach at Parkview Baptist School. I want to take this opportunity to ask for your support of the Parkview Baptist School Cross Country program. Because of the hard work and dedication exhibited by everyone involved with PBS Cross Country, we have built a very successful program at the high school and middle school levels over the past several years at PBS and need your help in maintaining our program at this level. All of our teams are competing at the highest levels of competition, and we have earned a reputation of excellence around the state that we strive to continue. Because the number of student/athletes participating in our cross country program continues to increase every year, the future of Parkview Eagles Cross Country is as strong as ever.

In addition to the hard work and commitment that goes into building a successful program, community support plays a very important role. We want to continue upgrading our equipment, uniforms, etc. and compete at the highest level so that we can maintain a program of excellence. Besides competing all across Louisiana, we are also planning to compete in Mississippi and Florida as well.

We would like to ask for your support of our annual **PBS Eagles Cross Country Sponsorship Program** to help us accomplish our goals. There are multiple options available as detailed in the attached sponsorship form. Our team members, parents and coaches will be soliciting sponsorships throughout the summer in preparation for the start of the season in August.

If you have any questions, please e-mail me at chad.landry@parkviewbaptist.com. Thank you in advance for your support of our cross country program and your consideration of our sponsorship request.

Chad Landry
