

### Early Childhood Division

Dear Parents,

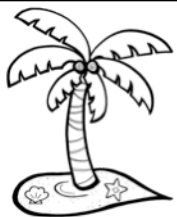

We are looking forward to the privilege of teaching your child in Kindergarten next year. Here is a summer calendar for your child to practice some of the skills they learned throughout the year. The activities should be quick and simple. We want your child to enjoy their summer break, but still retain information learned this past year. Thanks for being involved and helping your child succeed!

- A calendar is attached with several activities for your child to practice and complete.
- A list of Kindergarten sight words and numbers are attached for review.
- The following apps are helpful for skill practice and enrichment.
  - ABCya
  - Starfall
  - Epic! (digital library)

The calendar and written work should be turned in by Friday, August 13<sup>th</sup>. Have a wonderful summer and we can not wait to meet you and your child in August!

Blessings,

Kindergarten Teachers

# JUNE
